

Travis Parker

Properties Manager
Strong Tower Ranch

Travis and Jamie Parker have been married almost 20 years and lived in Missouri for almost 16 years. The Lord has blessed them with four amazing kids: Cassie, Noah, Zach, and Felix. They have been involved and serving together in many different avenues of ministry through the years, such as local church planting, Travis pastoring at a few different local churches, youth/family ranch ministry, and foster/adoptive care ministry.

God has given Travis and his family a heart for Strong Tower Ranch and serving together in the ministries of hospitality, growth, caretaking, and property management. Ultimately, the Parkers desire to see Christ glorified wherever the Lord has placed them. They are always excited to share the gospel, which saves and changes the hearts and lives of the families who come to the Ranch to seek hope, healing, restoration, and refuge.
